CHRISTMAS

HKETS

Christmas Term-break Grade Booster Workshops

for IGCSE (Y10 - Y11) & IB Diploma (Y12 - Y13) students

THE CONTENT

Our workshops aim to help students strengthen and consolidate concepts learnt thus far and also to work ahead on some of the upcoming topics in the syllabus. The complete course runs for 2 sessions and are divided into a number of segments. Each segment targets a specific topic area and would normally include:

Introduction of Key Ideas
Presenting Relevant Exam Questions
Learning to Interpret Exam Questions
Exam Techniques and Other Essential Tips
Questions and Discussion

The workshops are conducted in small groups of only **3-6 PERSONS** to ensure a high level of interaction between teacher and students. The low student-to-teacher ratio allows a higher degree of customization for the needs of the individual students.
